

Oregon Children's Choir

AUDITION

Do you love to sing?

Oregon Children's Choir is holding open auditions for all choirs, ages 7-18 years old. Since 1982, the Oregon Children's Choir has been helping kids reach their potential. Here are just a few reasons you'll want your child to join our choir:

- Improves attention span, focus, comprehension, and even helps students' grades in other classes!
- Builds confidence and discipline in life — children who sing often excel in other areas too!
- Fosters team and group life skills through critical listening, blending, harmony and rhythm.
- Provides a non-competitive environment to create lasting friendships, strive for excellence and create beauty.
- Gives kids a chance to meet new people and to experience area, regional and international travels and a variety of performance opportunities.

Call **541-343-0840** to schedule your audition today. For audition times and more information, check us out at
